

Rugby Link Update December 2017

*Merry Christmas!
Rugby Season 2018 setup begins*

- **New Rugby Link Version 3 Releases complete!**
 - Team Count Report and Team Count Summary Reports detailing the number of allocated teams in each grade by club/entity.

- **2018 Rugby Season for Participants**
 - In 2018, Clubs and Associations must adhere to the following registration regulatory requirements:
 - Online self-registration for ALL players, non-playing members (committee members and team officials - coaches, managers, first aid/medical staff etc.) and match officials; and
 - Online payment for ALL Players (full or part payment).
 - All **participants** will be required to login via the **NEW** look Rugby Portal - <https://rugby.force.com/rugbyportal>.
 - NOTE: Admin login remains the same via Rugby Link admin portal.
 - Registrations open from **Thursday 4 January 2018**

- **2018 Rugby Season for Club Admins**
 - A NEW process will be implemented with Member Unions and Associations in relation to the access by Clubs to set up and open their registrations for the public. Each Member Union and Competition can tailor their dates to their particular needs.
 - Clubs should contact their respective Unions Rugby Link representative to find out specific information pertinent to their region. Contact details are available [here](#).
 - Club admin setup opens from **Wednesday 13 December 2017**
 - **ALL** Clubs **MUST** create **NEW** online registration forms for 2018

- **New Rugby Link Version 4 Releases now Available!**
 - Clubs can choose to offer automatic part payment. The participant will then select if they pay their fees in a Single Payment or in Part Payments. Business rules for Part Payments include a maximum of 4 payments in total, first payment will cover the minimum mandatory price and the final payment cannot be less than \$20.
 - All Juniors when registering will be required to enter height and weight data. These fields will only accept numbers, with up to 2 decimal places.
 - Parent/ Guardian details will now collect DOB to ensure a minimisation of duplicates and allow easy registration for parent/ guardians who are also non-playing members.

- **New Rugby Link Version 4 Releases Coming Soon!**
 - Clubs admins will be able to send Reset Password emails from Rugby Link from mid-January.
 - Ability to participants who have opted for part payments to 'pay-out' their registration fees.
 - Additional Accreditations (Team Managers, Competition Managers, Medical and Member Protection) will be added into Rugby Link so Club admins can report on these.
 - Match Day Management app.

*As of 12 December 2017
