

Rugby Link Update March 2018

Rugby competitions are about to get underway!

- **2018 Rugby Season for Participants**
 - In 2018, Clubs and Associations must adhere to the following registration regulatory requirements:
 - Online self-registration for ALL players, non-playing members (committee members and team officials - coaches, managers, first aid/medical staff etc.) and match officials; and
 - Online payment for ALL Players (full or part payment).

- **New Rugby Link Version 4 Releases Now Available!**
 - Players can now upload their profile picture at the end of the signup process. Plus, the ability for parent/ guardians of junior players to “use same address as above” checkbox.
 - Payment Processing on demand whereby participants can “pay-off” their subsequent registration instalments. Don’t forget to check out the ‘Part Payment Invoice Report’ [self-help guide](#) to check upcoming part payments within your Club.
 - Fixture Report download will now include Team IDs, Grade ID and Venue IDs. Referee Associations will be contacting Competition Managers to download your Fixture Report via Match Manager.
 - Accreditation Manager and Download report enhancements.

- **Rugby AU Consumer App**
 - Download the new Rugby AU consumer app now:
 - iTunes - <https://itunes.apple.com/us/app/rugby-au/id1327189661?mt=8>
 - Play - <https://play.google.com/store/apps/details?id=au.com.rugby.rugbyau&hl=en>

- **Rugby AU Match Day App**
 - Download the new Rugby AU Match Day app now. This is for TEAM MANAGERS and will assist with entering match results, player statistics, incidents and injuries live.
